Cold outreach on autopilot

Inter 400 · 16px · lh 1.7 · Body

We build AI automation systems that handle your cold outreach end-to-end — from lead sourcing to personalized messaging — so you can focus on closing deals, not filling pipelines.

WHAT WE DO

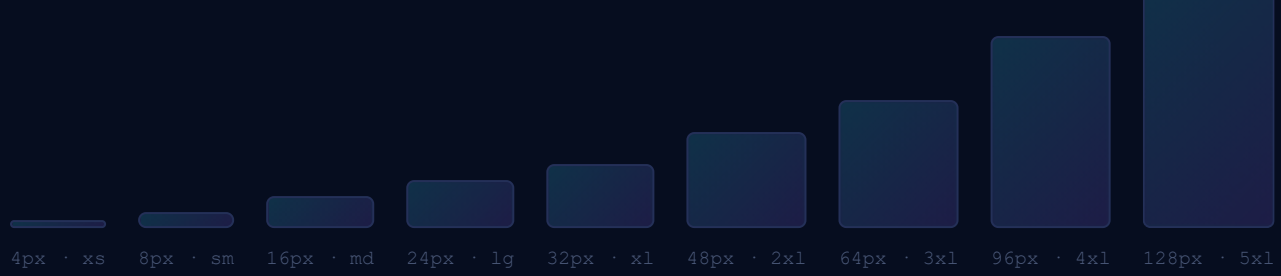
04 — BUTTONS & CTAS

Book a Free Call | See How It Works | Learn more →

CTA COPY RULES

→ Primary CTA is always "Book a Free Call" — one per page, above the fold
→ Use action verbs: Book, Get, Start, See — never "Submit" or "Click here"
→ Primary button uses Brand Gradient with blue glow shadow
→ Never use more than one primary CTA per section
→ All buttons need hover + focus-visible + active states

05 — SPACING TOKENS



LAYOUT RULES

→ Section vertical padding: 96px top/bottom (64px on mobile)

→ Max content width: 960px, centered

→ Card internal padding: 32px

→ Component gap (grid/flex): 24px default

→ Border radius: 8px buttons · 12px cards · 16px large cards · 24px hero containers

06 — COMPONENT SAMPLE

WHAT YOU GET

Full-stack cold outreach automation

From lead list to booked meeting — we build the system, you take the calls.

Book a Free Call
